

## **Saddle Horse Scholarship**

*The Lake County Saddle Horse Scholarship was created to provide educational experiences and learning opportunities to youth in the Saddle Horse Program. This opportunity was made possible through the contributions from a 2021 donation by the Reformation Evangelical Lutheran Church and the Blanchard Family. The granddaughter of one of the church members, Bree Kibler, presented Saddlehorse to the church committee. After learning of the positive youth development and community service work done through Saddle Horse, they wanted to help support the program.*

*We encourage any Saddle Horse youth with one year of experience in our Equine program to apply for this scholarship to further their education. Youth may use their award for any Equine related expense including by not limited to lessons, clinics, experiences, equipment, etc.*

**Two recipients will be selected for the \$250 award, one from each age group.**  
**Junior (13 & under) Senior (14 & over)**

*Application window will be July 1 - September 30. Applicants must complete and submit their application to their advisor by October 1st in order to be considered for the scholarship. Upon receipt of application an interview will be scheduled and winners will be announced at our end of year Awards Banquet.*

*Saddle Horse will make payment directly to vendor/entity or a receipt can be submitted for reimbursement with prior approval.*
